SC Meat Goat Project
Show Season Points System and Information

1. The SC Meat Goat Project wishes to recognize youth exhibitors who excelled in the show ring with showmanship skills and participation. All wethers and does must be registered in the project to receive points for the project. Points can only be earned from showing goats that you registered under your name in the project. All wethers and does must have been born after September 1st of the previous year.

2. Points can be accumulated at the livestock show (local, state,or national) starting AFTER the wether or doe has been tagged in of the current year through the Final Show. No points will be counted for shows attended BEFORE the animal is tagged in with the project. Only SC shows can be used for SC4ME wether points. If an SC4ME wether has to be shown in an open South Carolina show due to not having an SC4ME class, points can be used for the SC4ME wether. The points for those classes will be based upon the wether's actual placing. If the show separates awards for Open & SC4ME within the open class (ex: State Fair) you can use your SC4ME placing. Points will be based on the exhibitors' highest points from seven (7) shows. Additional points will be given for final drive awards. If the project goat is tagged in, shown, and dies before tag in is closed, and another goat is tagged in its place for a participant, they can use the points together for showmanship, but not for market class points.

See below for the points breakdown. In case of a tie, the exhibitor with the highest overall class points will be awarded the higher placing. If there is still a tie, the number of Grand/Reserve Champion awards will be used for determining the placings. If a tie still exists, the record book score and the total number of shows attended will be considered to figure out the placings.

3. Exhibitors are responsible for keeping up with their records and submitting the point form(s) by one (1) hour after the final show ends. No point sheets will be accepted after this time and date. All points sheets must be completely accurate with the participant's goat tagged into the project, and must include a signature by the applicant and parent/guardian. Any points sheets that are not completed or using points for non-tagged project goats will be disqualified. **Do not place points sheets in the record book.**

4. Exhibitors are allowed to document points no matter the show location (in-state or out-of-state), but placings for all categories will be verified before awards are presented. **A photo of each class sheet must be attached to each point form submitted.** Exhibitors must complete a separate point sheet for each goat in each division (SC4ME, Open, or Doe) in addition to a showmanship points sheet. All point sheets must be **turned in no later than one hour after the SC Meat Goat Project Final Show's last class has concluded.**

5. Awards will be presented during the banquet. **To earn awards, a record book must be submitted.**

Placing	Points
1st Place	10
2nd Place	9
3rd Place	8
4th Place	7
5th Place	6
6th Place	5
7th Place	4
8th Place	3
9th Place	2
10th Place or lower	1

Final Drive Award Name	Points
Overall Showman	2
Reserve Showman	1
Grand Champion	2
Reserve Champion	1
Supreme/Overall Champion	2
Reserve Supreme/Overall Champion	1
Top Overall 3-5 Winner	0.5
